

MACK TRUCK SALES & SERVICE CENTER

Hunt Midwest Commerce Center at I-435 & Parvin Road, Kansas City, Missouri

Size:

Building 34,700 square feet
Land 9.76 acres

Completion: 2001

Project Description:

Mack Truck sales and service facility in Hunt Midwest's Commerce Center located near I-435 and Parvin Road. This operation includes the sales of new and used trucks as well as parts and service.

Hunt Midwest Real Estate Development, Inc. acted as the general contractor and developer in this design/build project featuring 34,700 square feet on 9.76 acres of land.

Employment Increases:

Kansas City Mack Truck Sales and Service, Inc. will employ approximately 58 people within the first year of operation.

There will be 35 new jobs created as a result of this development.

Area Improvements:

The development of Mack Truck's new sales and service center will compliment the many truck related businesses located in the Hunt Midwest Business Park, as well as further establish the area as a center for the transportation and distribution industry.
