BRENNER HOLLAND
Senior Vice President
Residential Development

As senior vice president of Residential Development, Brenner's primary focus is on the management of the day-to-day operations of the residential real estate division which includes the acquisition of land, project entitlements, development and marketing of our master planned communities and the research and development of new residential product offerings. Brenner oversees the company's investment in and completion of new senior living and multi family communities. He is also responsible for construction services for a wide range of public and private infrastructure projects and assists with company wide new business development.

Brenner serves as a board member and is a past-president of the Greater Kansas City Home Builders Association. He was elected as a national director for the National Home Builders Association and was appointed to its land development committee. Brenner is on the Board of Directors of the Overland Park Chamber of Commerce and the Northland Regional Chamber of Commerce.

Brenner is a graduate of Texas Christian University in Fort Worth, Texas. A native of the Kansas City area, he and his wife Kim and family reside in Overland Park, Kansas.
