

Hunt Midwest

ERICA KOBLESKI
Manager
Accounting

Erica Kobleski joined Hunt Midwest in 2006. As manager of accounting, she has the responsibility of auditing contractor pay applications and the financial reporting requirements of the company's public financing projects. She is an integral part of the team that prepares the annual budgets and board books. Erica has been key in implementing new technology for the company.

Erica earned a bachelor of science in business administration with a double major in accounting and business management from Missouri Western State University. She is a long time volunteer with the Volunteer Income Tax Assistance program (VITA), and a member of the Risk Management Society (RIMS) and the Missouri Economic Development Financing Association (MEDFA). Erica resides in Kansas City, Missouri.
