

Hunt Midwest

KIM SMITH
Senior Director
Finance & Accounting

Kim Smith serves as senior director of finance and accounting for Hunt Midwest Enterprises, Inc. and Hunt Midwest Real Estate Development, Inc. She is responsible for the overall accounting for all the companies including preparation of all company financial statements, management of accounts payable, management of the outside auditors, budget preparation, and long-term forecasts. She also assists the CFO with risk management. Kim has over 28 years of experience in finance and accounting and is a member of the Risk Insurance Management Society (RIMS).

Kim received her bachelor's degree in accounting from Rockhurst University. She and her family reside in Kansas City, Missouri's Northland.
